

The difference we make.

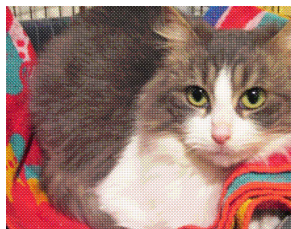

To turn this unhappy dog

...into this laughing one.

This frightened cat....

...into this relaxed one.

We only touch the tip of the iceberg of animal cruelty but for those we can help, it matters.....their life is important and each life counts.

Together we can make a difference,
one paw print, one heart at a time.

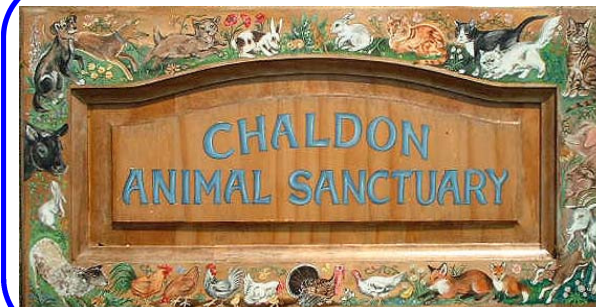

Pets leave paw prints on your heart.

We are a sanctuary for dogs & cats and our animals live here permanently.

Who we are & what we do.

We are not a rescue and re-homing centre - we are a sanctuary providing permanent life-long care for animals abandoned, mistreated or rescued from cruel situations.

We have dogs & cats and are non-profit making, non-breeding and have a non-destruct policy.

Cristal & Chico sharing.

How you can help.

*"Nobody ever made a greater mistake than he who did nothing because he could only do a little."
Anon.*

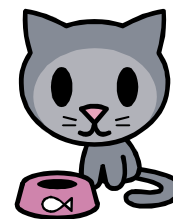

We have on average 75 animals as permanent family living with us. Like anywhere that is small & privately funded, it is through the generosity of our supporters that we are able to continue and be here to help the animals. Costs are high so perhaps you would consider supporting our furry family.....we always appreciate any amount, no matter how little as it really does all add up and make a difference.

There are various ways you can support us, from sponsoring one of our pets or making a general donation, as well as collecting used postage stamps (British & foreign) which we sell to help raise funds.

Please help fill our

dinner bowls, thank you.

Request for more information / donation.

If you would like us to send you any more information, perhaps our fact sheet or latest newsletter, or our sponsor a pet form, please fill in or copy this form and pop it in the post. Thank you for your interest.
