On 2nd August '09, Dave Foard will be competing in the London Triathlon at Excel and attempting to swim 1.5 km's (just under a mile), followed by cycling 40 km's (nearly 25 miles) and finishing (or being finished off !!) by running 10 km's (just over 6 miles).

Dave is raising funds to support Chaldon Animal Sanctuary and if you would like to encourage him and help raise a few pennies, please fill in the form below, thank you.
The full amount raised, every penny, will go to the Sanctuary. There will of course be news in the next (Christmas) Chaldon newsletter of how Dave did. The money raised will help towards desperately needed new animal food storage sheds and general costs.

If you're willing to support Dave with a donation, please send it to us at the Sanctuary or online via our website, or via the charity giving page….

If the donations could be collected and sent by the end of August please. Cheques payable to Chaldon Animal Sanctuary. Thank you.
